It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Waist, without injury to the most delicate persons; no change in habit of living is required, and it entirely removes the discuss from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the discuse, through the pores of the skin, effecting in every instance a perfect cure, and restoring the parts afflicted to a healthy condition. This Band is also a mostpowerful ANY-MERCORIAL agent, and will entirely relieve the system from the persolous effects of Mercury. Moderate cases are cared in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long sizuding.

SYRUP PECTORAL 유

ILFI INVITE ATTENTION to some of the most PECTORAL SYRUP.

They are at home, and any one who has doubts quire of the person who have been cured by It. DR. REYSER IS PREPARED AT ANY TIME T EXAMINE LUNGS WITHOUT CHARGE, FOR AL THOSE WHO NEED HIS MEDICINES. ATTEND TO YOUR COLDS -A case of five years' tanding cured by DR. KEYSER'S PECTORAL SYRUP.

Pressures, Jan. 11, 1860. Privisure. Jan. 11, 1650.

Dr. Krysm:—My wife has been allieted with a bad cough and difficulty of breathing, for five or six years, which, for saveral years back, had gradually increased in viblence. The complaint has been hereditary, and she had been treated by saveral physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a filly cent bottle, which relieved her vary much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privinger, Nov. 18, 1838.

Dr. Kryser :—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribs ble to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manage be afflicted with coughs, colds and hearseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold. rere cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doess of the above flyrap it would relieve me entirely.

In recommending this medicine, I must unhesitatingly any that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for discases so prevalent.

Yours, most respectfully,

EDWARD J. JONES,

Cashier Citizens' Deposit Bank.

COL. PRATT AND DR KRYSER'S PECTORAL SYRUP.—DR. KRYSER—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrop sooner. I take great pleasure in saying that it is all you say it is. Remoded the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I over did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. PRATT.

READ THE TRUTH.—Dr. Harman I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral—I purchased from you a bottle of your PECTORAL SYRUE, and before she had used half a bottle sith was relieved. The second bottle cured her entirely of her cough.

PITTERURGE, December, 31, 1853.

A GREAT CUEE BY DR, KEYSER'S PROTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acoust the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough confined unabated until early in October. At that time I was advised to try your PROTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

PATTON Tr., April 14, 1857.

A WONDERFUL OURE.—Some time age, an old neighbor of mine was very ill with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astoniahment of all. What makes the case more remarkable, is the extreme age of the man, he being about cighty years old. I have no doubt the Pectoral saved his life.

JOHMN GINNIR.

DR. REYSER'S PROTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully, J. B. WATTERSON & SONS

ANOTHER NEW ORRTIFICATE—DR. KRYEER'S
PROTORAL SYRUP.—I had been troubled with acough
and cold for several weeks—so had was it that I could not
sleep. I had the advice and prescriptions from three of
the best physicians in the city, whom I could name, but do
not do so. I finally presured a bottle of your Pectoral
Syrup, which cured me entirely. Signed.

"BTOP THATCOUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Poctoral, and if that don't cure you, your case must be desperate inteed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerilly concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with pulire success. Near two weeks ago we went to Pittburgh, nutth one of the most distressing, contrary, mulish, nutth one of the most distressing, contrary, mulish, nutth one of the most distressing, contrary, mulish, nuhave teled the "Pecteral." In a most stubborn case, with one of the most distressing, contrary, mulish, an subdusble coughs we ever experienced since our advent upon this mandane sphere. We coughed steedily and laboriously for one whole week, in hope of firing if out, but it was no go. In fact it seemed rather to have imported by practice, and to have acquired strength potency and distressibility by the operation. In this stage of the sloge, we coughed our way is Keyser's, 140 Wood St. processed a fity can bottle of the "Pectoral!" tack it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but uncound conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drouncettle Chipper, Dec. 14, 1859.
